## OVERVIEW

The getOutThere programme is aimed at allowing members with cerebral palsy to gain greater access to the community and enhance that interaction. The programme is based upon a voucher system that the applicant uses to subsidise their taxi transport.

The Society has entered into agreement with selected taxi companies to accept the Society's vouchers.

(A list of taxi companies is available on the Society's website).

Vouchers will be issued in \$5 and \$10 denominations. It is envisaged that vouchers to the value of \$200/user/6 months be initially set. The vouchers will expire after six months (as indicated on the voucher). A further set of vouchers will be sent out thereafter.

The vouchers may be used only by the user for transport. Destinations and rate of use is at the users discretion.

## CRITERIA

The criteria for a person's application to be considered is as follows:

1. You must have cerebral palsy. The Society may request proof that you have had a clinical diagnosis of cerebral palsy.
2. You belong to the Total Mobility program in your area.
3. You are a current financial member of the Cerebral Palsy Society of NZ Inc.
4. Live in an area where the program operates (check website for current areas, [www.cpsociety.org.nz](http://www.cpsociety.org.nz))

Note: People meeting the above criteria will not automatically be accepted into the program as such determination will be based upon available funding and history with the Society.

## TERMS OF AGREEMENT

The user agrees :

To use these vouchers only with taxi companies listed as being in the project.

Not to give these to other people to use in your place.

Not to use any vouchers once their expiry date has passed.

Not to redeem these vouchers with taxi companies for cash but only for transport provided.

That unused vouchers, once passed their expiry date become void.

That should a voucher be tendered for an amount less than the voucher, no monies will be given in change by the taxi company.

That the security of the vouchers is the user's responsibility and any loss, for whatever reason, will not be made good by the Society.

**That the amount of vouchers assigned to a user may vary at the Society's discretion.**

-see [www.cpsociety.org.nz](http://www.cpsociety.org.nz) for latest info-

## Example of use:

A user takes a taxi journey that costs \$18.20. The mobility card reduces user's cost to \$9.10. The user has the option of using a \$5 voucher and paying \$4.10 in cash.... or 2x\$5 (or 1x\$10) and not paying anything. (Note: in this case NO change will be given)
